## **2 INTRODUCTION**

### **2.1. Reservation of Powers**

Section 4 of the Trust's Standing Orders for the Board of Directors states that "The Board of Directors may make arrangements for the exercise, on behalf of the Trust of any of its functions by a committee, or sub-committee, appointed by virtue of Standing Order 5.1 or 5.2, or by a Director or an Officer of the Trust in each case subject to such restrictions and conditions as the Board of Directors thinks fit". The Code of Conduct of Accountability in the NHS also requires that there should be a formal schedule of matters specifically reserved to the Board of Directors of the Foundation Trust.

The purpose of this document is to detail how the powers are reserved to the Board of Directors, while at the same time delegating to the appropriate level the detailed application of Foundation Trust policies and procedures. However, the Board of Directors remains accountable for all of its functions, even those delegated to committees, sub committees, individual directors or officers and would therefore expect to receive information about the exercise of delegated functions to enable it to maintain a monitoring role.

### **2.2. Role of the Chief Executive**

All powers of the Foundation Trust, which have not been retained as reserved by the Board of Directors or delegated to an executive committee or sub-committee, shall be exercised on behalf of the Board of Directors by the Chief Executive. The Chief Executive shall prepare a Scheme of Delegation identifying which functions he/she shall perform personally and which functions have been delegated to other directors and officers for operational responsibility.

All powers delegated by the Chief Executive can be re-assumed by him/her should the need arise.

### **2.3 Caution over the Use of Delegated Powers**

Powers are delegated to directors and officers on the understanding that they would not exercise delegated powers in a manner which in their judgement was likely to be a cause for public concern.

### **2.4 Absence of Directors or Officers to Whom Powers have been Delegated**

In the absence of a director or officer to whom powers have been delegated, those powers shall be exercised by that director or officer's superior unless alternative arrangements have been approved by the Board of Directors. If the Chief Executive is absent, powers delegated to him/her may be exercised by the nominated officer acting in his/her absence after taking appropriate advice from the Chief Financial Officer. In the absence of the Chief Financial Officer, appropriate advice should be sought from the Deputy Chief Financial Officer.

### 3. RESERVATION OF POWERS TO THE BOARD OF DIRECTORS
