Executive Summary				
<p>I am pleased to say that there is usually good attendance at this meeting although relatively little is happening at the moment.</p> <p>One positive is that we will be allowed back on site for our Meet your Governor sessions, subject to our completing a risk assessment, wearing a mask, social distancing and hand sanitising. This is good news particularly in view of the time of year but also because we have been asked to help with an outpatients' survey regarding live and telephone consultations. All governors present were very happy to help with this and we look forward to working with Helen Hendley.</p> <p>Little progress has been made on the Bellamy Road or the young members projects and I look forward to the Communications Department being fully staffed again so that we can move on. I hope that in the New Year we will be able to make progress.</p>
