Points to note:

COVID-19 vaccination as a condition of deployment for all healthcare workers

- On 31 January 2022 the government announced plans to revoke the VCOD legislation subject to a public consultation and parliamentary approval process.
- Guidance advised to not issue any notice of dismissals as a result of vaccination status due to plans to revoke the legislation.
- A consistent approach agreed with ICS to pause formal meetings and processes until the outcome of the public consultation and parliamentary approval process.
- The government have announced three factors will be taken forward following the formal process to revoke the legislation
 - Regulatory bodies have been requested to emphasise registrants professional responsibility regarding vaccinations, including COVID-19.
 - The NHS have been asked to review policies on the hiring of new staff and deployment of existing staff, taking into account their vaccination status – national guidance is awaited
 - The DHSC will consult on updating the DHSC Code of Practice, which applies to all CQC providers of health and social care in England.
