# KMH Hub Performance - 1<sup>st</sup> October-22<sup>nd</sup> October 2022

## Next Steps

### KMH Hospital Hub

- From 31<sup>st</sup> October 2022, introduction of KMH Roving Service to offer COVID-19 and Flu vaccines to SFH staff and eligible inpatients. Vaccine status will be confirmed via Nerve Centre for eligible patients, with vaccines recorded at point of administration to update patient GP records.
- Communications plan to include staff profiling of vaccine uptake to encourage staff uptake.

### Wider Nottinghamshire Vaccination Programme

- Medivans to recommence in late October 2022 to focus on inequalities, targeting asylum, refugee and homeless communities.
- Three additional communities satellite clinics to be scoped for City and South Notts.
- Newark satellite clinic to commence booster delivery.
