Executive Summary				
Background				
<p>The KMH Hospital Hub continues to provide COVID-19 vaccines to eligible people locally, and co-administration of COVID-19 and Flu vaccines to SFH staff.</p> <p>A roving service for staff and eligible patients continues and will include targeted visits to inpatient areas and has brought some success.</p> <p>The attached slides provide operational programme details and performance noting:</p> <ul style="list-style-type: none"> • The uptake of autumn boosters' doses given by ICB Programme for patients age 70+ are above 80% for each individual cohort and the uptake for those age 65-69 are at 74%. • 40.8% Healthcare workers received COVID-19 vaccine exceeding national uptake (39.6%) 				

Recommendation

The Trust Board is asked to take assurance from the report and to note the significant contributions made by colleagues at Sherwood Forest to enable the successful delivery of vaccinations to the citizens of Nottinghamshire and colleagues working at Sherwood and surrounding NHS Trusts.
