<b>Executive Summary</b>				
<b>Background</b>				
<p>The KMH Hospital Hub continues to provide COVID-19 vaccines to eligible people locally, and co-administration of COVID-19 and Flu vaccines to SFH staff.</p> <p>The COVID-19 Autumn Booster Vaccination Programme continues to progress with almost 10 million of eligible people receiving booster vaccines to date. 2.9million covid-19 vaccines across 5 phases delivered by ICB.</p> <p>A roving service continues to support vaccine update across KMH and Newark Hospital targeting areas of low vaccine update for COVID and Flu. Eligible Inpatient's are offered COVID vaccine.</p> <p>The attached slides provide operational programme details and performance noting:</p> <ul style="list-style-type: none"> <li>• 45.76% Healthcare workers received COVID-19 vaccine exceeding national uptake 45.2%.</li> <li>• All eligible patients in Care Home have now received their Autumn Booster Vaccine.</li> </ul>				

- Reporting of vaccine progress will end through a dedicated report to board, and areas of progress and exception will be presented through the Single Oversight Framework (SoF) from February 2023 onwards.

**Recommendation**

The Trust Board is asked to take assurance from the report and to note the significant contributions made by colleagues at Sherwood Forest to enable the successful delivery of vaccinations to the citizens of Nottinghamshire and colleagues working at Sherwood and surrounding NHS Trusts.
