2023/24	2023/24	Narra	Srikant	Consultant	Shareholdings and Ownership Interests	N/A	In November 2020 I took an active leadership interest in Glanso UK as their Northern Lead to expand their services to Trusts beyond SFH (Glanso UK was already working with SFH since November 2019). The intermediary company through which this is done will have theoretical share options valued up to 25% if the northern division of Glanso UK does well. There is no monetary value related to these shares. Whilst working with Glanso U.K. has a proven benefit to patients, the Trust and all involved staff groups, neither myself nor the intermediary company, have any control on decisions made by Glanso UK. Equally, I am not in a decision making role at SFH and have maintained that for the entire time to mitigate against any perceived conflict.	N/A
