Report

Subject: Winter Resilience Plan
Date: 5th October 2016
Author: Roz Howie
Lead Director:

Executive Summary
 This briefing has been produced to describe to the Board of Directors how Sherwood Forest Hospitals NHS Foundation Trust (SFH) will respond to increased surges and/or service demands during the winter period

Relevant Strategic Priorities (please mark in bold)

Ensure the highest standards of safe care are consistently delivered by, and for, individuals, teams and departments	Ensure that patients experience the very best care, building on good practice and listening and learning from both negative and positive feedback and events
Provide timely access to diagnosis, treatment and care when people need it and safely reduce the time patients spend in hospital	Raise the level of staff engagement through strong leadership, communication, feedback and recognition
Reduce the scale of our financial deficit by reducing costs, improving utilisation of resources and productivity, and achieving best value for money	Work in partnership to keep people well in the community, and enable them to return as soon as they are ready to leave hospital
Develop and implement a programme of work in conjunction with Nottingham University Hospital NHST to create a new combined organisation
