Date: 2 November 2016

Author: Kim Harper, Project Facilitator, PMO – Quality Improvement Plan Lead Director: Elaine Jeffers, Programme Director - Quality Improvement Plan

Executive Summary

The Board of Directors agreed our Quality Improvement Plan on 26 November 2015. The QIP combines the Trust's existing Quality Improvement Plan with actions to address matters highlighted by Health Education East Midlands (HEEM), and the requirements of the Care Quality Commission.

This paper provides the Board of Directors with an update on the progress of delivering the Quality Improvement Plan (QIP).

There were originally 287 actions within 10 identified Workstreams. For October there are 235 (81.88%) actions embedded; 44 (14.63%) actions are completed or remain on track to be completed as planned; with 0 (0.00%) actions behind plan.

Following the Board of Directors meeting on the 5th October 2016 it was agreed to conduct a review of those actions deemed to have been superseded by the Long Term Partnership. This review is attached at Appendix 1. For the purpose of the QIP update report there are now 8 grey actions remaining.

Position at month ending October 2016, following consideration and approval by Quality Committee. (This data is subject to the Board of Directors final approval)
