15th April 2024

Dear Sir/Madam

With reference to your request for information received on 6th April 2024, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information you have requested. A response to each part of your request is provided below.

In your request you asked:

- 1. Would you be able to let me have a copy of your special leave policy please, as it will appear from 6th April, or if this is not possible, can you indicate whether planned Carers Leave will be paid or unpaid.**

Section 21 exempts information that is reasonably accessible to you by other means.

The information you require is available here: <https://www.sfh-tr.nhs.uk/about-us/policies-and-procedures/non-clinical-policies-procedures/human-resources/?id=8548>

Additionally please find our Carers leave guidance FOI 53092 Accompanying Document.

I trust this information answers your request. Should you have any further enquiries or queries about this response please do not hesitate to contact me. However, if you are unhappy with the way in which your request has been handled, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to: Sally Brook Shanahan, Director of Corporate Affairs, King's Mill Hospital, Mansfield Road, Sutton in Ashfield, Nottinghamshire, NG17 4JL or email sally.brookshanahan@nhs.net.

If you are dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office, who will consider whether we have complied with our obligations under the Act and can require us to remedy any problems. Generally, the Information Commissioner's Office cannot decide unless you have exhausted the internal review procedure. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/your-data-matters/official-information/>.
