Dear Sir/Madam

Freedom of Information Act (FOI) 2000 - Request for Information Reference:
Cardiograph / ECG Install Base

I am writing in response to your request for information under the FOI 2000.

I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information you have requested. A response to each part of your request is provided below. Please accept our apologies for the delay.

FOI Request / Question

1.a) Please provide an Install Base report for cardiographs (ECG recording devices) at your NHS trust.
Please could you provide the information broken down by individual hospital site (where applicable), rather than as a single trust-wide total.
Where your organisation operates more than one hospital, we would be grateful for a separate entry for each site.
For each hospital site, we are specifically looking for the following:
• Hospital name:
• Number of cardiographs on site:
• Make and model of each cardiograph:
• Commission date (year):
• Planned replacement date (year):
b) Do you operate a paper-based or digital ECG workflow?
c) Do you have an ECG management system? (If yes, please state the make/model)

Question Response
