<b>Executive Summary</b>				
<p>Attendance at this meeting was the best I have ever Known and there was some good discussion.</p> <p>Governors who attend PPG meetings are asked to notify Rachel in Comms. so that a record can be kept of Governor involvement.</p> <p>Governors were also asked to think about ways that we can be more pro-active in line with the Trust's strategy of Healthy Communities.</p> <p>Our membership statistics were examined and were thought to be low on younger members. Various ways to attract them were considered – a news email specifically for under 25s, involvement in college events, etc. and Richard Shillito has already given us a contact for Newark College where we will be welcome to attend any of their events.</p> <p>It was thought that the information on the website was not really good enough to encourage membership – it is up to us to write this so please send your ideas to me before the next meeting.</p> <p>A positive meeting with good contributions from governors.</p>
