

Sherwood Forest Hospitals NHS Foundation Trust

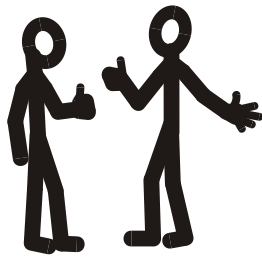

This easy read leaflet tells you about:

Yearly update for Sherwood Forest Hospitals NHS Foundation Trust 2017 – 2018

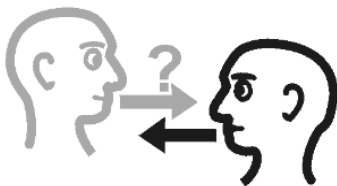

Our hospital provides services for lots of people across Mansfield, Ashfield, Newark, Sherwood and parts of Derbyshire and Lincolnshire.

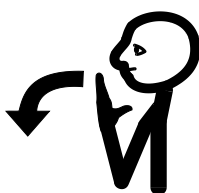

We have lots of staff working in our 3 hospital King's Mill, Newark and Mansfield Community.

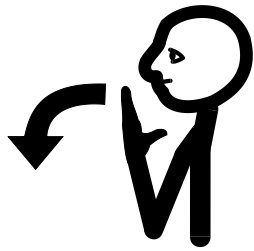

We are proud to be part of Sherwood Forest Hospitals and we are working more with other services to provide better care and support across Nottinghamshire.

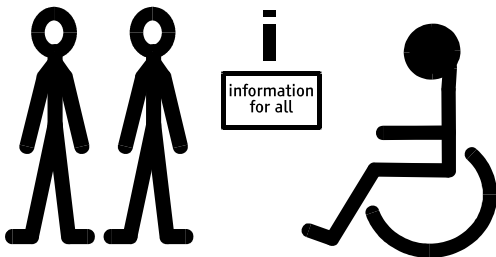

There have been some challenges over the year of 2017. The team has responded to these by listening and learning so that every patient receives a good level of care.

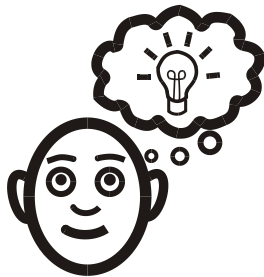

Thank you to the staff and volunteers who helped to provide safe patient care.

Thank you also to:

We hope you find this informative and easy to understand. If you do need support with this please call us on 01623 672294 or speak to our Specialist Nurse Ruth Harrison on ext 6091

Our ideas around what is important have been put into a plan called a strategy. This plan helps us to work together to make sure that patients get the best care.

	
 <p>2018 – 2019</p>	<p>Our strategy will be reviewed to make sure it keeps up to date.</p> <p>We will be holding meetings and asking for your thoughts and hope you will get involved.</p>
	<p>In April 2017 Money was given to Newark Hospital to support Neurology Services</p>
	<p>Sherwood Forest Hospitals received an award which saw the Trust as being 1 of 40 top Trusts in England.</p>
