

Car Parking EV Chargers Permit Application Form

Please read and complete the below form carefully and return to sfh-tr.estates@nhs.net. It is your responsibility to ensure that this form is completed prior to being able to use the Pod Point Electric Vehicle chargers in Car Park 11 at Kings Mill Hospital.

This information is required to register you as a private user on the Kings Mill Hospital Pod Point EV charging system, this is necessary as if the EV chargers were categorised as public – they would be listed on national EV charging maps and which could result in members of the public trying to access the chargers in our secure staff car park.

By applying for access to the Pod Point EV Chargers at Kings Mill Hospital you are consenting for Sherwood Forest Hospitals NHS Foundation Trust, its car parking provider Medirest Contract Services to hold your personal information securely and to use it for Trust car parking purposes. Please note, holding an EV permit to charge does not guarantee a parking space or a space with EV charging capability.

Section 1: Applicant Details

First Name:

Last Name:

KMH Car Parking Pass Number (found on the lower right of your parking pass swipe card):

Personal Email address registered with the Pod Point EV Charging App:
