- Please further breakdown the responses to Q1 and Q2 by the following
 - o Age Band: Please provide data disaggregated into the following age groups: 0-17, 18-24, 25-34, 35-44, 45-54, 55-64, 65-74, 75+. If more granular 5-year age bands (e.g., 0-4, 5-9, etc.) are readily available, please provide those instead.
 - o Gender: Please provide data categorized as Male, Female, and 'Other' or 'Prefer Not to Say' (if such categories are recorded).
 - o Time of Attendance: Please provide data disaggregated by: Time of Day: In hourly intervals (e.g., 00:00-00:59, 01:00-01:59, etc.) or, if not possible, in broad time blocks (e.g., 00:00-05:59 (Night), 06:00-11:59 (Morning), 12:00-17:59 (Afternoon), 18:00-23:59 (Evening)).
 - o Day of the Week: Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, Sunday.
 - o Method of Harm: Please provide a breakdown by the method used (e.g., self poisoning/overdose, cutting, hanging, jumping, burning, other). Please use the classifications your Trust routinely employs. We understand that less common methods might need to be grouped to protect patient anonymity.
 - o # or % attendances who received ongoing referral
 - o # of attendances who received psychosocial assessment
- For "self-harm" and "suicide attempts," please use the definitions and coding classifications (e.g., ICD-10 codes related to intentional self-harm) that your Trust routinely applies for data collection. If specific codes are used, a brief note on the codes included would be helpful.

I trust this information answers your request. Should you have any further enquiries or queries about this response please do not hesitate to contact me. However, if you are unhappy with the way in which your request has been handled, you have the right to ask for an internal review. If you are dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office, who will consider whether we have complied with our obligations under the Act and can require us to remedy any problems.
